Today

Hi @SergeyVasin happy Monday! Do you have an update on the circulating supply, max supply and token unlock schedule?
11:02 AM ✓✓

Sergey Vasin
Oh, I see. What was that reminder re Bittrex on my iPhone 😅
11:03 AM

I'll ping my team to give you figures. Thx for the follow up
11:03 AM

Sergey Vasin
Starting circulating supply – 639mln Grams. Starting total supply – 5,000mln Grams (not fixed). Circulating supply will increase by approximately 2% of total supply per annum. Locked Grams - 2,251mln. According to the release schedule, these
